SIR,

With reference to your letter No L 15578 dated 5-5-1947 on the above subject, I have the honour to forward herewith a sketch showing the dimension and the location of the land with reference to its surroundings as desired. As regards the market value of the site and the original purpose for excluding the land in question from the original lay-out, I am to state that the market value is Rs 10/- to Rs 12/- per Sq yard. The marginal bit of land was reserved for running sewer line but as the entire area was not made use of for the sewer line the remaining bit of land marked G I H on the enclosed sketch measuring 145 sq yards has been proposed to be granted to Mr Naganna. A copy of the Municipal Engineer's report is herewith enclosed for favour of reference.

Report No E4.G1.4349/46-47 dated 1st August 1947 from the Municipal Engineer, City Municipality, Bangalore City to the Municipal Commissioner, Bangalore City

Reference - M C. Memo No A7.C 1232/46 dated 8-5-1947.

Subject - Grant of Margin Land measuring 230 Sq.yards adjoining site No.4 in Subodar Chatram extension, Bangalore to Mr.K M Naganna

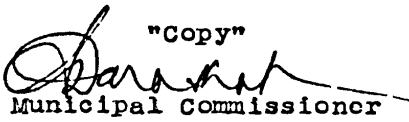

With reference to the above I am submitting herewith a sketch of the site sold to Mr.K.M Naganna in public auction and the land that is still in the possession of Municipality

Site No 24 'ABCD' measuring 120' x 80' and not 4 as referred to above was sold to Mr Naganna in public auction in the year 1939 Out of this, a triangular bit of land 'AEC' roughly measuring $(120' \times 10')/2$ or $66 \frac{2}{3}$ sq yards was taken back from him for running a sewer line and in exchange Mr Naganna was allotted the adjacent land GHC measuring 180 sq.yards

The area viz , $(180 - 66 \frac{2}{3}) = 113 \frac{1}{3}$ sq yards that was over and above the land that was taken for the sewer was sold to Mr Naganna at Rs 12/- per sq yard, though margin land in the neighbourhood was sold at Rs 10/- per sq.yard to others

Apart from the land given to Mr Naganna, there is still a triangular bit GIH measuring 145 sq yards This is neither enough to be sold as an independent site nor fit to be retained for any public purpose

This land has been approved by the Municipal Council to be given over to Mr Naganna at Rs 12/- per sq yard This marginal bit of land was originally reserved for running sewer line but as the entire area was not made use of for the sewer, the remaining bit viz , GIH or 145 sq yards referred to above has been proposed to be given away to Mr Naganna

the land recommended to be sold to Mr Naganna is a triangular

per sq yard, the rate at which the neighbouring site was ^{sold} to
